

# power direct

## energy for business

### Referral Programme

Share if you're happy with our services!

We believe one of our best assets is our army of satisfied customers. Our referral scheme rewards and thanks our happy customers who act as advocates within their own industry, or amongst their network.

So, if you introduce Power Direct Ltd to another business and they become a customer, we'll send you a £50 shopping voucher when the contract with their supplier goes live.

If you know of any business that may benefit from our services, cut out the voucher below and share it.

#### Terms and Conditions

- Our services are non-obligatory, and participation in the scheme does not tie either party into a contract with Power Direct Ltd
- Vouchers cannot be exchanged for their monetary value
- There is no limit to the number of eligible customers you can introduce
- Eligible businesses will be rewarded per business (not per site)
- Vouchers will be dispatched upon contract go live

Referral

Voucher

You've received this voucher because Power Direct Ltd has been recommended to you by a happy customer.

Book a no obligation consultation call\* for a conversation about how we can help you on your journey towards smarter business energy.

\* Please state who referred you when you make contact.
